“Let My Peace rule in your heart – and be *thankful*. I have called you to a life of Peace and thankfulness. These two are closely related. The more grateful you are, the better able you are to receive My Peace. Conversely, the more peaceful you are, the easier it is to be grateful. Your calmness helps you to think clearly and to recognize the many blessings I shower upon you. This calm thankfulness is independent of circumstances; it flows out of your confidence that I always do what is best – even when you cannot understand My ways.

My Peace can function as an umpire in your heart, settling the questions and doubts that rise up on your thoughts. Whenever you start to feel anxious, use those feelings as a reminder to communicate with Me. Talk with Me about whatever is disturbing you. Bring Me all your requests *with thanksgiving*. Because you are Mine – intimately united with Me – I personally guard your heart and mind with My Peace. Remember that this is supernatural Peace, *which surpasses all understanding*.”
