PRESIDENTS CORNER

Blessings, peace and joy brothers & sisters in Christ!

As many of you know we had to cancel the Men's Fall Weekend which was scheduled for Sep. 29 – Oct 2. A message was sent to the community in mid-August to this effect, with some of the details, but I would like to elaborate on what happened, and what we've learned.

At the time we canceled, we had only nine team members willing to serve - four from the Cursillo community, four from RIMA, and one from the Central Florida Community (now living in Waltham, MA). This was considered insufficient to have the weekend. It was also very disappointing having only 4 men from RIMA step forward, after making more than 75 calls (or emails). If men don't commit to serve on team, this ministry will die.

So, what have we learned? For one, I think we need to have the Rector in place earlier than we did. In this instance, the Rector had only 2½ months to call the team together before the 1st team meeting. Many Pescadores who were called already had previous commitments, which precluded their making the meetings, or serving on the weekend. We need to encourage those who have never served on team, or have served only once or twice to serve. Don't know exactly how we do that, but we can't rely solely on those who have served many, many times before, to continue doing that. They will get burned out, and the community won't grow.

And, the long term solution is to have more candidates on the weekend to increase the pool of available team members.

To this end, Secretariat has set up an Outreach Committee, with the mission to visit churches in the area and tell them about Tres Dias - how it can strengthen individuals in their walk with the Lord, and benefit churches by encouraging Christian leadership and action. To date we have prepared an outline of what is to be presented, and have drafted

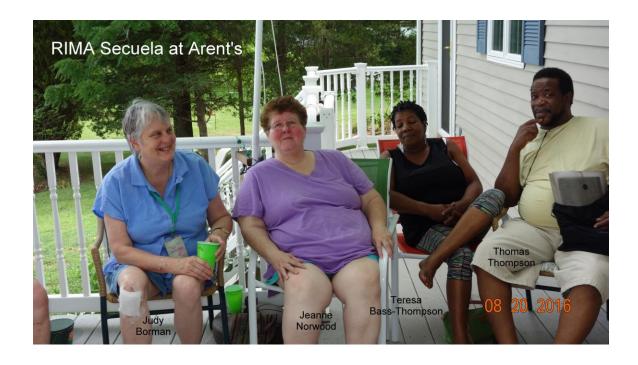

a list of prospective churches to visit. We are ready to go! If you think folks in your church would like to hear about Tres Dias, and you can help us set up the meeting, kindly contact Gordon, gordonarent@sbcglobal.com, 860-376-5767.

For Pescadores who live in Connecticut, and do their banking at the Charter Oak Federal Credit Union, there is a unique opportunity to donate to a charitable organization [501 (c) (3)] of your choice, and have the amount doubled by a matching grant from Charter Oaks. RIMA is such an organization, and could really benefit from your gift. Charter Oak will match gifts of \$25, \$50, \$75 or \$100 for each member. If you have been blessed by Tres Dias and can contribute, please visit,

https://charteroak.org/content/matching-gifts/ It is imperative that you act quickly, as the program will end when they have matched \$100,000 worth of gifts, or on November 23rd, whichever comes first.

Decolores,

Gordon

37th Annual Assembly July 5 –17, 2016 - by Sue Arent

The Annual General Assembly is an awesome experience. I would encourage everyone to attend one when it's held near-by – or in a place you'd like an excuse to visit.

The 2016 Assembly was held in Montgomery, NY and hosted by Mid Hudson Tres Dias. Pastor John Torres, Senior pastor of Goodwill ECC, the church where the Assembly was held, gave the keynote address. Pastor Torres researched our Tres Dias history and found a common theme was that many may have felt ill-equipped, or unable to do the work, but that did not matter. When God calls us forward to do His Work, we have to answer. He then elaborated on what he referred to as the Uno Cosa- the "One thing" and read from Psalm 27:4:

One thing I ask from the LORD, this only do I seek: that I may dwell in the house of the LORD all the days of my life, to gaze on the beauty of the LORD and to seek him in his temple.

Pastor Torres said we go on a weekend to get that 'one thing. And in Pastor John's prayer, he prayed "Come a get fresh vision of what God started and take it forward; may He give you the strength to do this and may you know that Jesus is at work; God so anointed this ministry to point to the ONE THING; our one reason for being."

The Procession of Banners followed – for me a very moving ceremony! Then it was on to business:

Gordon Arent from RIMA will be an Alternate and will be called on as a replacement for any unexpired term.

I attended two workshops. The first was "You Do What??" This was an interesting time of sharing how weekend activities vary according to community. For instance, many communities in the south have a Serenade on Saturday evening, in place of the Sunday morning Mananita. Teams vary greatly in size – some with more than 100 members, and others more in keeping with RIMA weekend teams.

The second workshop was Rector Selection. Discussion on selecting rectors – should be based on local community requirements – recommended that rectors be current and active in RG, active in the local Secretariat and their church. For those responding to the call, a vetting process was recommended before the vote. We have not had to vote for rectors in RIMA recently – those who responded favorably were what we needed.

The General Assembly ended with the Installation and Consecration of Officers and Members of the Tres Dias International Secretariat and Worship Service followed by the reading of the minutes.

The 38th Assembly to be held in the Crockett area of Texas and will take place July 14-16, 2017. It will be hosted by the East Texas Tres Dias.

As of this time we have 5 confirmed pilgrims:
Amelia Canto

Susan DeCristofaro

We are also waiting on several more.

It's going to be a wonder-full weekend. Pray for '10 seconds of courage' and then step out in faith and ask someone you know and love-in-the-Lord, to join us. The Lord will bless them (and us) by your step of faith.

Has God gifted you with a talent for making banners? I personally so admire this talent. On my original weekend it was the 'banners' that my heart 'took pictures' of. They stood in silent visible testimony during the three days of that weekend.

Remember how DeColores means many colors?

I need to speak to you regarding the color 'green.' It's the color of growth, life and giving. It's not easy talking about green palanca. But there are some who need my 10 seconds of courage to request your money. If God has blessed YOU with green palanca, could you pass it on to us? If you're writing a check, please make it out to RIMA Tres Dias.

I'm not done with you yet. Just another couple of requests & then a "wrap-up."

Do you like food? Has God gifted you with the culinary art? We need you to make, bake & create for us! We need fruits, nuts (culinary ones), crackers, cheese, Veggies (yes, carrot cake CAN be considered a veggie). Chocolate is high in antioxidants. Loaves of lemon poppy seed bread or cranberry bread (you get the idea) to feed the flock is appreciated. Also we need 8-10 volunteers from the community to come serve a meal for us. Call Ann Marie DeMerchant to be one of our meal servers!

Did God give you musical talent? If you can sing or play a portable instrument come join us at the opening: 7 PM. Thursday October 20, 2016 Cathedral Camp Retreat House Dining Room 157 Middleboro Road East Freetown, MA. 02717

Come open the floodgates with Praise & Surprise and thrill us with your presence at the Closing ceremony! Make it a memorable showing up and 'filling up' at the closing. Come reunite and be with us once more. Mark your calendars now! What a wonderful time it will be, Truly! Got a pen? Ready? Sunday, October 23, 2016; 4:30 PM Cathedral Camp 157 Middleboro Road East Freetown, MA. 02717

It's \$225 for the weekend. This covers room and meals and is very reasonable for three days & three nights. The address to send checks & applications to is:

Lynne Cignarella 278 Beulah Whitman, MA. 02382

In conclusion, I know, I know...I've been lengthy. But now we come to the best part. To the Throne Room, to Him who made us and loves us like no other:

Let us pray,

Merciful, Wonderful Savior, help us to

"Trust in You, with all our hearts and lean not on our own understanding, in all our ways, let us acknowledge You and You will direct our path!" (Proverbs 3: 4-6)

You promise You'll remain with us, even until the end of time. We hold onto that promise. We ask You to help those who go with us. Help us to love them truly, as You do. When they hurt us, and are slow to help us, give us

the grace to forgive them. Remind us we've hurt others in the same way, and You've forgiven us. Give us one thing today we can do for You alone Lord. Whether it's a smile, a word of encouragement, a time of companionship with someone who may be lonely, teach us Lord, to use our days and our hours wisely. Thank you for this time and this place in our lives. Help us always to look for Your Blessings, hidden beneath the veil that You alone remove. Lord, bless and unite us under Your Banner of Love. Keep us closer to You than we are to ourselves and put a Holy Joy and participation into our hearts. Give us the excitement of our first Love of You. Give us courage to be an active witness to those you will bring to celebrate You this upcoming Women's weekend. Bind us together in Your Love, forever

In Your Name, Amen
